CAMAC

CAMAC

Camac celebrates the classic herringbone weave in a fine drawn palette that offers effortless fluidity. The linen constituent brings forth a subdued palette of calm neutrals and an elusive feel to the fabric. The colours inspire a tranquil interior setting that creates a relaxed and airy atmosphere. The fabric has been treated with an acrylic coating on the rear which makes it great for upholstery. The gorgeous herringbone weave can also be a suave addition as a drapery fabric with a lovely fall.
