## CHELMSFORD - II

# CHELMSFORD

*Chelmsford defines those who like to play bold and make a grand statement. Its chunky weaves add great depth to the textile, often considered rather two dimensional in comparison to other interior elements. It offers 3 unique collections – Canning, Minto & Benito – across a range of colours and textures. A combination of varied yarns – cotton, viscose, polyester – creates layers and layers of stylish texture. Presented in a harmonious palette of soft hues and in-trend shades, its mesmerising movement of colour offers the perfect blend of desirability and versatility.*
