DISCLAIMER

Viewers of this e-catalogue are requested to refer to our **physical catalogs available at select stores** for more accurate representation of the end fabric, since there may be colour variation **due to different capabilities** of various display devices. We try to edit our images to show the samples as life-like as possible, but please note that the actual color of the physical fabric may vary from **what is seen** on your device.

LOUNGE

The lounge is a compilation of our finest and most soft fleecy chenille and velvet plains ranging from solids to two tones this collection offers both sophistication and luxury with a calm raw look. The use of two contrasting wefts creates an irregular effect on the fabric surface. Offering both subtle neutrals in chalky shades and mineral tones in vibrant shots of magnanimous and powerful colours. This pristine collection drapes like a dream with its extreme durability making it suitable for upholstery, walls, curtains and blinds. It comprises of 4 different plains that have a soft touch and chenille that creates a wool-like effect.
